## COCKTAIL & BITES WORKSHOP WITH LEO'S

Elevate your mixology skills at LEO's International Flavors with our cocktail & bites workshop. During this workshop, you will kick-off with our unique LEO's gin and then craft your own cocktails and bites, together with our LEO's bartenders. Meanwhile, refreshments such as unlimited water and mixed nuts, olives and crackers will be at your disposal. At the end, you will take home the recipes for both bites and cocktails so you can inspire and impress you friends with your newly learned skills. Our cocktail and bites workshop is specially designed for groups starting from 8 people, with a maximum of 10\*.

\*Upon request, adjustments can be made in group size and content.
